TEACHING AWARDS

- *Spring 2009* Orange County Public Schools, Silver Start Center's "**Teacher of the Year Award**" for my dedication to improving attendance, classroom engagement and community partnerships. Selection for this award includes nomination to the Florida Department of Education Teacher of the Year for the State of Florida. It also includes demonstration of outstanding performance and quality of contributions that promote healthy learning environments. One recipient from a group of 45 Teachers.
- *Spring 2008* University of Central Florida School of Social Work "**Field Instructor of the Year Award.**" Selection for this award is based on the Field Education Supervision provided for two semesters to undergraduate/graduate Social Work Interns that assisted with the successful completion of the students learning competencies. One recipient from a group of approximately 60 Field Instructors in Central Florida area.
- *Summer 2006* **Vocational Rehabilitation Services School to Work Program Sapphire Award.** Selection for this award is based on the consistent positive performance and outcomes with my work with students with disabilities who set goals that promote independence. One recipient from a group of approximately 100 Central Florida Vocational Rehabilitation Services Counselors.

CREATIVE ACTIVITIES THAT PROMOTE STUDENT LEARNING

- Summer 2020: Developed a WebCourse to help students learn what is required for their return to field education during the COVID Pandemic. Course name: *COVID-19 Mandatory Requirements in Order to Return to Field Education*. This course is used for our Face to Face Track and Online Tracks for all Undergraduate and Graduate Social Work students to learn more about COVID-19, Safety Guidelines, Personal Protective Equipment (PPE) and support resources.
- During school years 2016-17-18-19-20: Actively participate, train and supervise students at UCF Apopka Clinic. This clinic occurs once per Spring, Summer and Fall Semesters. To offer students the opportunity to work with our community while providing medical and behavioral health services to uninsured and underinsured farmworker communities using an inter-disciplinary approach.
- Fall 2015- Present: Collaborate with Orange County Public School, *Gateway School* to provide additional support for our interns who are seeking a career as a School of Social Work with the Exceptional Student Education population.
- Summer 2018 & 2020: Collaborative review of applications and interviewing undergraduate/graduate student applications for UCF's HEALS Scholar student positions for Dr. Tracy Wharton's HEALS Grant, funded by NASW/CSWE.
- Summer 2020: Successfully completed the UCF *Essential for Online Teaching*. To help develop and provide instructions with different modalities such as V, V-1 and BlendFlex.
- 2016- Present: Bachelor of Social Work Program Application reviewer
 - Review applications for students applying for our Bachelor of Social Work Program
- 2015- Present: Promote and train knowledge of our Intern Placement Tracking System Software.
 - Train students how to use the software
 - Conducted trainings for our community partners hosting our social work students
 - Training offered on site at UCF and off site at the local agencies
- 2015- Present: Field Placement Process for students entering field education (beginning an internship.)
 - Enter Student into the Intern Placement Tracking System and orient to process
 - Send and review Field Applications (Applications to begin their internship.)
 - Interview students and Refer students to a community partner (local agency)
 - Monitor students onboarding process
 - Assure student completes all required documentations for field education

- 2016-17-18: Provided supervision as an External Field Instructor for students assigned to a field site that did not have a Social Work on site that could provide student supervision.

Other Field Education Related Presentations, Community Partnerships Events & Outreach Services

Roche, I., & Wharton, T., (Summer 2018, Fall 2018, Spring 2019, Summer 2019). I co-lead the trainings for the UCF Apopka Clinic for Social Work and Mental Health students. This is an *interdisciplinary approach to healthcare* (mental, physical, spiritual, emotional). Our social work students work alongside medical, physical therapy, pharmacy, nursing and mental health students at the different colleges at the University of Central to provide optimal patient care to an under-served community. This is a team approach guided by professors of the above mentioned disciplines. As a social work field instructor I assist with coordinating the event and trainings, then assist with supervising all students. The Social Work student completes part of the behavioral health assessment and works with the patients to ensure they receive the care they need. To include linking them to resources, social support and health education. This all takes place in an office building in Apopka Florida, at the Apopka Farmers Association of Florida.
